## Tuition Waiver Guidelines

Partial tuition waivers are available on a limited basis, subject to budgetary limitations.

### **Application:**

Any parent or guardian that desires a partial waiver for their child shall complete and send in a Partial Tuition Waiver Application to the FHCC Treasurer who will review it with a committee of other board members. Applications must be submitted each year and need to be submitted in August at the beginning of the choir year. Families receiving waivers are expected to voluntarily relinquish their scholarship should their financial situation improve during the year.

### **Confidentiality:**

The scholarship committee will document its decisions, and will attempt to keep the identity of tuition waiver recipients confidential.

### **Amount:**

Tuition Waivers shall be for a percent of tuition to be determined by the scholarship committee. All other fees such as tour costs are the responsibility of the choir member's family.

### **Eligibility:**

Applicants shall fill out a form certifying their eligibility.

### **Volunteer Activities:**

Families receiving tuition waivers are expected to volunteer their time in FHCC activities.

### **Extenuating Circumstances:**

A situation of extreme financial hardship due to unusual circumstances may be presented to the scholarship committee for their review.

Please submit the following application to the FHCC Board Treasurer.
